A study in geometry

Distinctive surfaces. Considered silhouettes.

Trellis Gold

CT-640G / Gold

A rectangular veined top meets an open lattice frame, balancing bold pattern with an airy silhouette. A distinctive centrepiece for a sofa arrangement, with space for a tray, books and everyday essentials.

120 x 60 x 47 cm

Trellis Silver

CT-640S / Silver

A rectangular veined top meets an open lattice frame, balancing bold pattern with an airy silhouette. A distinctive centrepiece for a sofa arrangement, with space for a tray, books and everyday essentials.

120 x 60 x 47 cm

A study in geometry

Distinctive surfaces. Considered silhouettes.

Trellis Nest Gold

NT-640G / Gold

Three square tables pair veined tops with intersecting metal frames. Group them for a layered look or position them separately beside seating when you need an extra surface.

36 x 36 x 37 / 41 x 41 x 41 / 46 x 46 x 47 cm

Trellis Nest Silver

NT-640S / Silver

Three square tables pair veined tops with intersecting metal frames. Group them for a layered look or position them separately beside seating when you need an extra surface.

36 x 36 x 37 / 41 x 41 x 41 / 46 x 46 x 47 cm

Soft circles, clean lines

Distinctive surfaces. Considered silhouettes.

Orbit Gold

CT-638G / Gold

A round veined top rests on a slender circular frame, creating an open, flowing profile. Style it at the centre of a seating area to soften straight-lined sofas and shelving.

90 x 90 x 47 cm

Orbit Silver

CT-638S / Silver

A round veined top rests on a slender circular frame, creating an open, flowing profile. Style it at the centre of a seating area to soften straight-lined sofas and shelving.

90 x 90 x 47 cm

Soft circles, clean lines

Distinctive surfaces. Considered silhouettes.

Orbit Nest Gold

NT-637G / Gold

Three round tables in graduated sizes combine veined tops with open circular frames. Arrange them as a flowing group or pull out individual tables beside an armchair when needed.

35 x 35 x 37 / 40 x 40 x 41 / 45 x 45 x 47 cm

Orbit Nest Silver

NT-637S / Silver

Three round tables in graduated sizes combine veined tops with open circular frames. Arrange them as a flowing group or pull out individual tables beside an armchair when needed.

35 x 35 x 37 / 40 x 40 x 41 / 45 x 45 x 47 cm

Structure with presence

Distinctive surfaces. Considered silhouettes.

Chevron Gold

CT-2028G / Gold

Angular side detailing gives this rectangular table a graphic profile beneath its veined top. The open frame keeps the look light while creating a strong focal point in a living room.

120 x 60 x 47 cm

Chevron Silver

CT-2028S / Silver

Angular side detailing gives this rectangular table a graphic profile beneath its veined top. The open frame keeps the look light while creating a strong focal point in a living room.

120 x 60 x 47 cm

Structure with presence

Distinctive surfaces. Considered silhouettes.

Accord Gold

CT-645G / Gold

A rectangular main table and two smaller tables create a coordinated, layered arrangement. Veined surfaces and slim frames bring visual continuity, with extra surfaces that can be positioned around your seating.

120 x 60 x 50 / 2 tables: 52 x 52 x 41.5 cm

Accord Silver

CT-645S / Silver

A rectangular main table and two smaller tables create a coordinated, layered arrangement. Veined surfaces and slim frames bring visual continuity, with extra surfaces that can be positioned around your seating.

90 x 90 x 47 cm

Made to come together

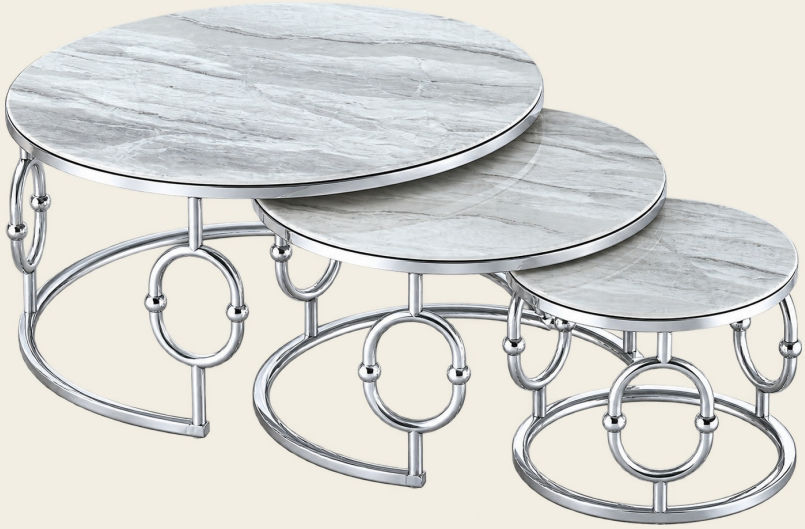
Distinctive surfaces. Considered silhouettes.

Aureole Gold

NT-650G / Gold

Three graduated round tables pair pale veined surfaces with decorative ring detailing. Overlap them for a compact arrangement or spread them out to create useful surfaces around the room.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm



Aureole Silver

NT-650S / Silver

Three graduated round tables pair pale veined surfaces with decorative ring detailing. Overlap them for a compact arrangement or spread them out to create useful surfaces around the room.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm

Sculptural foundations

Distinctive surfaces. Considered silhouettes.

Prism Gold

CT-660G / Gold

A faceted sculptural pedestal anchors a rectangular veined top. Its geometric base gives the table a strong presence, making it a natural focal point in a pared-back living room.

120 x 60 x 47 cm

Arcadia Gold

CT-670G / Gold

Paired curved pedestal forms support a rectangular veined top, balancing sweeping lines with a structured silhouette. This statement table works especially well with simple upholstery and restrained accessories.

120 x 60 x 47 cm

Sculptural foundations

Distinctive surfaces. Considered silhouettes.

Petal Gold

CT-665G / Gold

A petal-inspired central base supports a rectangular veined top, giving the table a decorative silhouette from every side. Pair it with uncluttered seating to let the sculptural detail stand out.

120 x 60 x 47 cm

Prism Silver

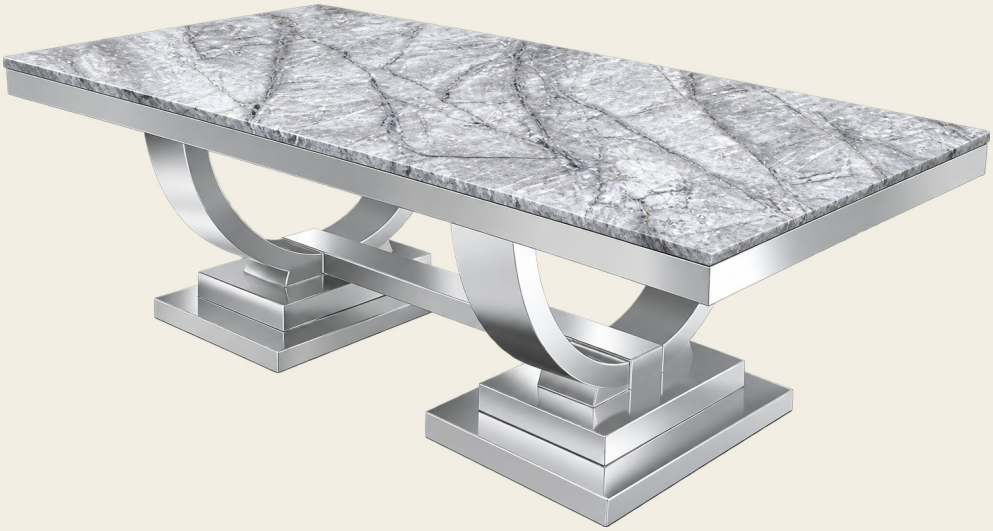
CT-660S / Silver

A faceted sculptural pedestal anchors a rectangular veined top. Its geometric base gives the table a strong presence, making it a natural focal point in a pared-back living room.

120 x 60 x 47 cm

Sculptural foundations

Distinctive surfaces. Considered silhouettes.



Arcadia Silver

CT-670S / Silver

Paired curved pedestal forms support a rectangular veined top, balancing sweeping lines with a structured silhouette. This statement table works especially well with simple upholstery and restrained accessories.

120 x 60 x 47 cm

Petal Silver

CT-665S / Silver

A petal-inspired central base supports a rectangular veined top, giving the table a decorative silhouette from every side. Pair it with uncluttered seating to let the sculptural detail stand out.

120 x 60 x 47 cm

The Delphi collection

Decorative pedestal tables

Delphi Gold

ST-B802G / Gold tone

A pale round top and Greek-key rim sit above a twisted open lattice pedestal. This decorative accent table creates a sculptural spot beside a chair or within a welcoming entrance.

Diameter 50 x H80 cm

Delphi Silver

ST-B802S / Silver tone

A pale round top and Greek-key rim sit above a twisted open lattice pedestal. The silver-tone finish brings a crisp accent to a reading corner, living room or entrance.

Diameter 50 x H80 cm

Nocturne Duo

CT-001 / Pale veined tops / black faceted bases

Two round tops pair pale veining with bold, faceted black bases. The contrasting heights create a layered focal point, with a main coffee surface and a smaller companion for flexible placement.

Dimensions available on enquiry.

Solara Duo

CT-196 / Warm beige stone-like finish

Round tops and tapered, faceted bases give this two-table pairing a calm sculptural presence. Its warm beige pattern works naturally with soft upholstery, timber textures and understated accessories.

Dimensions available on enquiry.

Estelle, in colour

Three tables. One considered arrangement.

Estelle Sapphire Silver

NT-695S1 / Blue marble top / silver frame

Rich blue, grey and black patterning gives this three-table set a distinctive focal point. Round tops and open silver-tone frames create a layered arrangement for drinks, books and everyday living.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm

Estelle Emerald Gold

NT-695G1 / Green marble top / gold frame

Green veined tops contrast with open gold-tone frames in this graduated three-table set. Nest the tables together or extend the arrangement to introduce colour and extra surfaces beside your seating.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm

Estelle, in colour

Three tables. One considered arrangement.

Estelle Mist Silver

NT-695S2 / White marble top / silver frame

Soft grey veining and silver-tone circular frames give this three-table set a light, coordinated look. The graduated sizes can be grouped together or placed beside different seats for everyday flexibility.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm

Estelle Mist Gold

NT-695G2 / White marble top / gold frame

Pale grey veined tops meet warm gold-tone circular frames in this three-table set. Layer the surfaces for a statement arrangement or separate them to bring a coordinated accent around the room.

80 x 80 x 46 / 60 x 60 x 40 / 40 x 40 x 35 cm

A welcome detail

Freestanding stainless steel coat stands

Arbor Noir

CR-111 / Black

Diameter 35 x H177 cm

Arbor Ivory

CR-112 / White

Diameter 35 x H177 cm

Arbor Umber

CR-113 / Brown

Diameter 35 x H177 cm

Branch-like hooks and a slender upright create an organised landing spot for outerwear. A round base and contrasting metallic details give this freestanding coat stand a considered presence in an entrance.

A welcome detail

Freestanding stainless steel coat stands

Halo Gold

CR-115 / Gold

Diameter 35 x H182 cm

Halo Silver

CR-116 / Silver

Diameter 35 x H182 cm

Rounded hooks punctuate a slim polished stem above a circular base. This freestanding coat stand adds a sculptural touch to an entrance while keeping everyday outerwear within easy reach.

A personal approach.
